Instant Communication

Healthcare communication technology offers enormous benefits including faster connections and fewer phone calls. Fully integrated into DocuTrack, secure messaging provides a compliant, direct line to facility staff and primary physicians to get questions and medication adherence addressed rapidly.

Greatly Reduce:

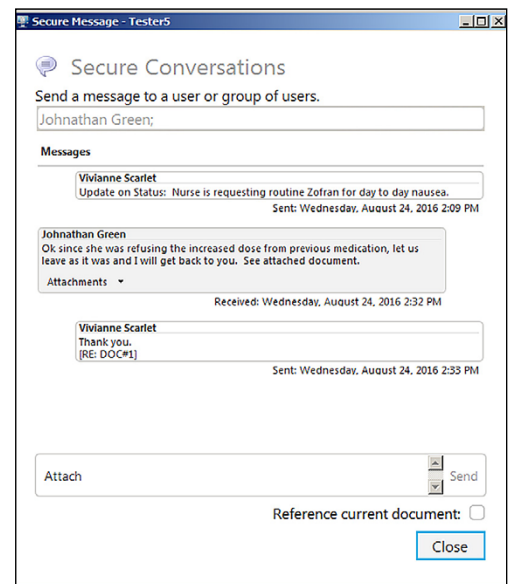

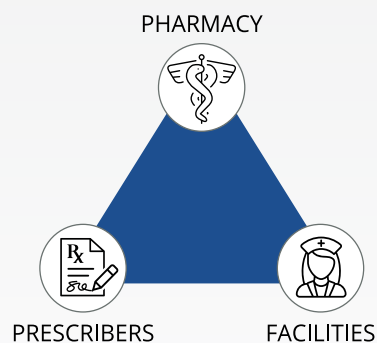

- Phone calls
- Faxes
- Call-back delays
- Hold times
- Response times

Secure Messaging in DocuTrack:

- Instantly send and receive messages from your desktop
- Attach and reference documents
- Fully HIPAA compliant
- Remote logout
- Auto-attendant enabled
- Free to prescribers

Expedite Communication:

- Patient record updates
- Order clarifications
- Refill too soon
- Insurance information
- Approvals
- Medication authorizations
- Therapeutic interchanges
- Reminders
- Quick questions

Secure messaging dialog box as seen in DocuTrack.

An increasingly preferred communication medium, 96% of smartphone users text.¹

90% of all text messages are read in under 3 minutes.²
